972 ★★				4d Olive-Black and Yellow Orange, SG #140 var. \$3,000 N.h., RSC "D" pos. 49 corner copy, beautifully centered, perfect gum, choice extremely fine, The head color is a deep shade of the SG Key 'olive-black' and the heads have a coarse appearance which, combined with a lack of detail by the eyes and temples, give both portraits a 'ghostly' appearance. This head plate, with its very distinct upper printer's mark, is only known to have been used in the production of the 2d, RSC 'B' and of this stamp, <i>ex. Simpson, Gibbs, Strehmel</i> .
