The design of the \$2 Trans-Mississippi depicts the Eads bridge, which spans the Mississippi River at St. Louis. The original engraving was used on the admission ticket to the Republican Convention of 1896, which nominated McKinley as candidate for president. The stamp, issued during the McKinley Administration, illustrates the natural boundary between East and West and so was appropriate for the Trans-Mississippi Issue. All of the \$2 Trans-Mississippi stamps were printed in a single day's run on June 3, 1898.
